

# *Happy Tails of Rescue at Greenway Park in Tryon*

While attendance may have been dampened by the rain showers earlier in the morning, the group that gathered on Saturday, 7/22, left the event with a greater understanding of Foothills Humane Society's mission.

Director Kathy Hamilton and volunteers Mary Alexander and Ginny Plume shared stories that were funny, loving and a few that were tragic. Some of the animals that arrive at the shelter are in need of immediate and intense medical care. Their stories are part of the daily flow of life at the shelter.

To those that joined the group, it was a pleasure to meet you. To those who didn't attend but would like to help, please visit the Donate page at [FoothillHumaneSociety.org](http://FoothillHumaneSociety.org) and choose from the options to help us continue our life saving work .
