

Share a Picture of Your Favorite Friend and help us continue our life saving work.

Purchase any size ceramic or metal tile and we'll proudly mount it on the interior walls of the shelter.

Just follow this simple
three step process:

1. Send the digital photo you've selected to

Admin@FoothillsHumaneSociety.Org
In the Subject Field type Tile Order and your seven digit phone # - No AC

Example Tile Order 1234567

The Photo you send must be in a high resolution format. Please be sure it is either a JPEG, TIF or PNG format.

If your phone gives a choice of resolutions be sure to choose the highest level.

2. Scan the QR code and complete the Tile Wall Order Form. Be sure to enter the same **7 digit number** in the order number box that you used with your photo submission.

3. Our Staff will review the photo and adjust it to fit the size you ordered if necessary. We'll send you back a proof of your tile for your approval. If you like it, just go to FoothillshumaneSociety.org and click the donate tab. Click general donations and complete the information. In the **Organization Box** please enter the 7 digit order number so we can link your payment to your order.
